The I Gl states that the supply of Departmental books from the Govt Press is not regular nor timely and to avoid the difficulty he proposed to get these books as well as maps printed at private presses from next year the usual grant of Rs 20000/ being insufficient for the purpose, an increased grant provision of Rs 50000/ is recommended for the budget of 1914 15.

(3) The I Gl adds that out of the amount only Rs 10000/ may be expected to be spent on the free supply of books and maps to schools and the balance of Rs 40000/- may be treated as a rotating grant to be recouped from the amounts of sales effected from time to time

5 If the type etc has been purchased by the Govt Press it is a matter for consideration whether the text books of the Edn Dept can be supplied regularly by the Press, in which case they need not be printed at private ~~factors~~ presses.

& the type alone would not suppose to set up two books, allowing for about 10 lbs per page In view of the requirements indicated in the Ltr of Edn figures it wd therefore be quite impossible to undertake the work The Press is now declining to receive work from the Economic Conference office & other Depts, on the ground that it cannot cope with what it has to do

(10) The class of work which the Edn Dept contemplates giving to private presses is just that kind which they can best undertake, & it wd, if opened them, be likely to encourage them to ~~devote~~ increase their plant & open further facilities for undertaking Govt work

Should not some restriction such as previous sanction be placed on this large expenditure?

17/6/14

26 Under existing orders the Dy Govr has power to incur expenditure on several items of contingent expenditure in the budget — including the provision for Books & Maps now under question up to the limit of the budget grant without previous Govt sanction (vide Egs of 14 July 00 & March 1906)

27 It is feared that an attempt at restricting his powers now will ~~not be easily~~ meet with opposition on the part of the Dept

28 May be sanctioned. The budget is passed. Is no change necessary in the draft?

No 13259 / 685 Bangalore 13th April 1914

From Rao Bahadur
M SHAMA RAO ESQ MA
Inspector General of Education in Mysore

To
C S Balasundaram Iyer Esq B A
Secretary to the Government of
His Highness the Maharaja of Mysore
Departments of Education & Agriculture
Bangalore

SIR

I have the honour to inform you that the usual recurring grant sanctioned for books and maps in the annual budget under 18 Education - (6) Book Department is Rs 20 000 But in the current year's budget an extra amount of Rs 20 000 for maps printed at Calcutta by Mr Chatterjee and a reallotment of Rs 10 000 unspent last year were provided As the supply of Departmental books from the Government Press is neither regular nor timely frequent complaints regarding the non-supply of text-books have been received It is therefore intended to get these books as well as maps printed at private presses from next year and avoid the difficulty regarding the timely supply of text-books To do so, however it is necessary to increase the budget allotment for books and maps from Rs 20 000 to 50 000 Of the Rs 50 000 about Rs 10 000 may be expected to be spent on the free supply of books and maps to schools and the balance of Rs 40 000 may be treated as a rotating grant to be recouped from the amount of sales - - - effected from time to time This procedure will remove all difficulties and will enable me to purchase the required books and maps or get them printed at private presses according to the needs

2

needs of the Department, from the permanent deposit of Rs 40,000 which of course will be recouped with some profit from the sale proceeds as stated above This arrangement will also help private enterprise and enable proprietors of presses to improve their plant to meet the growing demands of the Department

I request that my proposals may be kindly sanctioned and the necessary provision ordered to be included in the Education Budget of 1914-15

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General
